Effective May 1st, 2017

A letter to our Riders,

Lakewood Express finds it necessary to increase its fares. This is the first fare increase that we have sought in 9 years, since 2008. In the course of this time, our expenses have greatly increased therefore we are forced to increase the prices.

The increase is as follows:

- Cash fare will be increased to \$19.00
- Children fare will only increase with \$1, making it \$9.00.
- 10 trip book will increase to \$150.00

We will retain the monthly Trip Ticket Book to its original price for now. However effective 1/1/2018 it will change to a 30 trip book and increased to \$325 however the book will be good for 2 calendar months.

Thank you for your understanding of the need for this increase, and for your continued loyalty.

The Management
