Final Decision

Monsey New Square Trails finds it necessary to increase its fares for various reasons stated on the original proposal.

We published our fare increase on 10/25/2017, and sought comments from our riders.

Some of you took time to respond to us, and we thank you. Our mission is to provide high quality service that meets the travel needs of our residents. We received some comments complimentary of our service.

We have carefully reviewed all the comments that we received, and are finalizing the fare proposal, to consider these comments.

The specific changes we are making, in response to these comments, are:
